CityScape U Planters

Satu Bumi's CityScape Range has been specifically engineered for the robust and demanding commercial landscaping market based on international GRC product and production process standards. The manufacturing process for the CityScape products includes a unique chemical treatment for the waterproofing, protection and improvement of the concrete in conjunction with a fibre matrix wall construction methodology that provides enhanced flexural and tensile strength. The result is a high grade GRC product with excellent strength, water impermeability and aesthetic appearance.

Satu Bumi's unique offering to the commercial market is its low Indonesian manufacturing cost base in conjunction with direct access to its Product Engineering Team for bespoke work. Along with Satu Bumi's adherence to international quality standards, this provides our customers with easy access to very competitive pricing on high quality commercial grade planters in a large number of sizes and colour variations.

The following table provides a summary of the current CityScape U Planter Range. However, variations of these sizes are available upon request.

Product Name	Product Number	Height	Diameter	Top Rim	Feet height options	Approximate Weight (Kg)
U Planter-Tall	7080.0.090.070.070	900	700	70	10	75
	7080.0.090.090.090	900	900	85	10	110
	7080.0.090.120.120	900	1200	100	10	130
	7080.0.090.150.150	900	1500	100	10	185
	7080.0090.180.180	900	1800	120	10	230
U Planter-Medium	7082.0.070.070.070	700	700	70	10	65
	7082.0.070.090.090	700	900	85	10	85
	7082.0.070.120.120	700	1200	100	10	100
	7082.0.700.150.150	700	1500	100	10	150
U Planter-Wide	7084.0.050.070.070	500	700	70	10	55
	7084.0.050.090.090	500	900	85	10	60
	7084.0.050.120.120	500	1200	100	10	70
	7084.0.050.150.150	500	1500	100	10	110

All dimensions are in millimetres.

Satu Bumi also offers additional water proofing and drainage regulation options which are entirely dependent on the customer's requirements. These include bitumen-membrane internal water proofing and drainage risers.

The CityScape U Planters have been designed in terms of size to be mixed and matched with the Squares, Rectangles, Cylinder and Bowls in the CityScape Range.
